

Alura Full Length Mirror

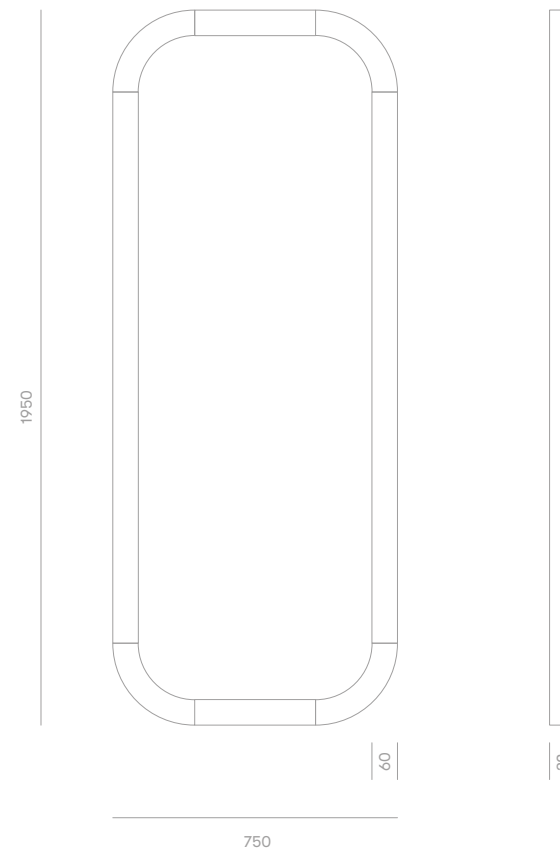

Product Specifications

Standard Dimensions

Overall height 1950mm
Overall width 750mm
Overall depth 32mm

Features

Polyurethane finish
Wall hung or free standing
Anti tip bracket included

*LF recommends using the provided anti tip bracket to secure your mirror to the wall. This is to avoid the mirror falling over and causing any serious damage or injuries. Brackets will prevent the mirror from falling if being bumped, pushed or blown over by strong winds.

*all sizes in mm
