

# Pacific Full Length Mirror

## Product Specifications

### Standard Dimensions

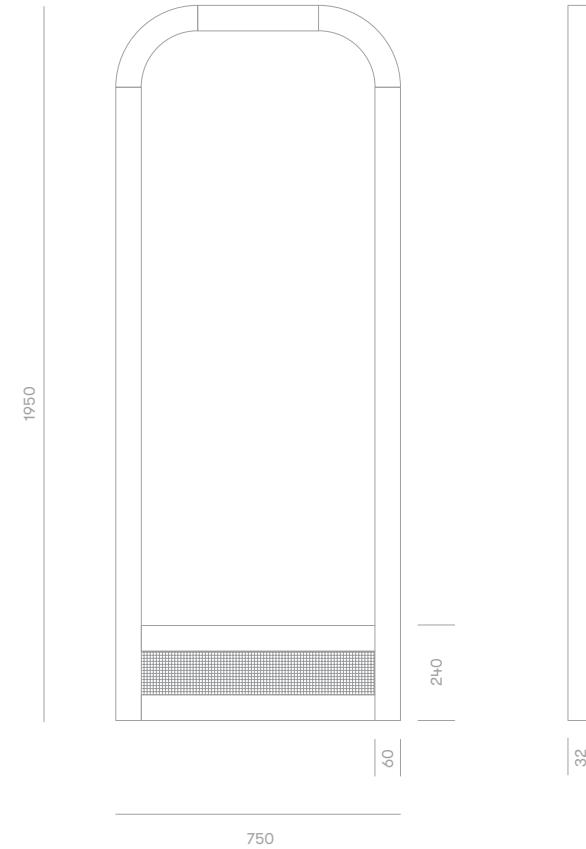

Overall height 1950mm  
Overall width 750mm  
Overall depth 32mm

### Features

Rattan insert ( tight or open weave option )  
Polyurethane finish  
Wall hung or free standing  
Anti tip bracket included

\*shown with tight weave rattan option

\*LF recommends using the provided anti tip bracket to secure your mirror to the wall. This is to avoid the mirror falling over and causing any serious damage or injuries. Brackets will prevent the mirror from falling if being bumped, pushed or blown over by strong winds.
